*(Lecturer)*

**External Guide:-**

# Acknowledgement

We have taken efforts in this project. However, it would not have been possible without the kind support and help of many individuals and organizations. We would like to extend my sincere thanks to all of them.

We would like to take the opportunity to express my humble gratitude to **Mr. Inderjeet Yadav** under whom we executed this project. His constant guidance and willingness to share his vast knowledge made me understand this project and its manifestations in great depths and helped me to complete the assigned tasks.

We would like to thank all faculty members and staff of the Department of bachelor of computers applications, **I.I.T., Dwarka** for their generous help in various ways for the completion of this project .Finally, yet importantly, We would like to express my heartfelt thanks to my beloved parents for their blessings, my friends and classmates for their help and wishes for the successful completion of this project.
